## **Colour Studio Capelli Capelli**

This boutique salon's  
vibe is pure effervescence.  
Stylists and colorists  
sparkle with ideas for  
creating distinctive looks  
that skillfully combine  
European ingenuity with  
California hip. This is the

place for hard-to-find products and top-rated brands  
such as Bumble and bumble, plus proven beauty tech-  
niques such as Great Lengths Hair Extensions and  
Japanese thermal straightening. The secret? Regular  
Vidal Sassoon training, says Owner Annette Coltelli,  
and a stimulating environment that inspires  
excellence. 831-625-4100; [www.capellicapelli.com](http://www.capellicapelli.com)
